

Center Street Parking Garage Closed

Center Street Parking Garage—located just across Addison Street from Aurora—is closed for construction until 2018. Aurora Theatre Company has been working with the Downtown Berkeley Association and neighboring arts organizations and parking managers to ensure adequate replacement parking during reconstruction, with additional parking spaces or extended hours at some neighborhood garages and lots. As you get used to new parking locations and options, please allow additional time to get to the theatre. Due to the intimate nature of our theatre, we cannot allow late seating.

To purchase guaranteed pre-paid parking at the Allston Way Garage with your Aurora subscription, stop by the Box Office or call 510.843.4822. Quantities are limited, so please act quickly.
